Book the Above Qty (if entered) or Search More

As you can see above “Amrood” is available in these eight nurseries.

Now, you can view the stock availability, of that plant, and to book that, enter the qty in the 1st, 2nd or 3rd column, depending on what variety you wish to purchase. Then Click “Book Qty” button at the bottom right.

You can book the plants in more than one nursery, in a single booking, Simply click the “Search more” button” and go on doing the booking.

When you have booked all the species you want, click “Finish Booking” and Enter your personal details, and click save:
